**LOWER YOUR ELECTRICITY BILLS/SAVE \$\$
(and help save the planet!)**

- # Watch LESS TV, escape through a Book
- # Try to use a FAN, not the Air Conditioner
- # Turn OFF the Light
- # Take the BUS or TRAIN
- # Play SPORTS not Video Games
- # Join a CHOIR, ditch the CD Player
- # Do LARGER LOADS of laundry
- # Use COLD Water to wash clothes
- # FILL UP the Dish Washer before you run it
- # Use the STOVE more than the Microwave

Windex Alternative – glass cleaner

What you'll need: Club soda and a spray bottle.

How to use: Spray and wipe with lint free cloth. You can use on mirrors, windows, glass tables, eyeglasses.

Price comparison: For 26 ounces, \$3.89 for Windex or \$1.29 for Club Soda. **You save \$2.60 each time you refill a bottle!**

Drano Alternative – mild clog remover

What you'll need: Baking soda and white vinegar

How to use: Pour ½ cup of baking soda into the drain. Add a cup or more of white vinegar. Mixture will start to fizz. Wait a few minutes, and rinse well with boiling or hot water. Repeat if necessary. Never use this recipe after using a commercial drain cleaner!

Price comparison: For 32 ounces, \$4.79 for Drano or \$1.99 for baking soda & vinegar. **You save \$2.80 each time you use the Drano alternative!**

Lysol Tub & Tile Cleaner Alternative – make your own “soap”

What you'll need: Baking soda and liquid detergent or soap

How to use: Mix 1 cup of baking soda and 2 tablespoons of liquid detergent/soap together. Keep adding detergent until you get the consistency you want. Use wherever you would use soap or household cleaner, such as the kitchen, bathroom tub, tile, and sink, etc. Rinse with water.

Price comparison: For 32 ounces, \$4.79 for Lysol Tub and Tile Cleaner or \$2.39 for baking soda & liquid soap **You save \$2.40 each time you use the alternative!**
